

Dear potential sponsor,

The TKO STRONG FOUNDATION, INC. is a 501(c)(3) non-profit, organized to benefit the research for rare genetic diseases that cause intestinal failure.

We are coordinating a family-friendly fundraising event on Saturday, November 2, 2019, at Plattduetsche Park Biergarten in Franklin Square, NY. The success of this event depends largely on the support of our sponsors. The money raised will go directly to institutions that support the research of rare diseases causing intestinal failure.

We are asking for your tax deductible donation to help make this event possible. The foundation will promote your business as an active partner, extending your exposure through media campaigns and promotional efforts, ranging from social media mentions to signage at the event. We have four levels of sponsorship, as detailed on the enclosed commitment form. If your organization is interested, please select the level of participation and be secure in the knowledge that your support will be used to help the foundation fund research and raise awareness in the community.

We are counting on your support, and will be happy to answer any questions you have regarding the event. Please return your sponsorship commitment form by mail, or email it to [tkostrongfoundation@gmail.com](mailto:tkostrongfoundation@gmail.com)

Thank you in advance for your willingness to support our efforts.

Sincerely yours,

A handwritten signature in blue ink that reads 'Alexis Onorato'.

Alexis Onorato
